Matt and Cheryl,

As discussed, I developed a brief summary of our last discussion. Please see attached. I have attempted to frame the write up so it may be a useful tool to send to attendees ahead of our June meeting. A few things we need to do before the meeting:

- 1) Determine a date and location. Currently Ecology folks appear to be somewhat available on June 14 and 15 (with some exceptions). Would EPA be willing to travel to Ecology?
- 2) Determine who will attend from the AG's offices. Ecology would likely have Ivy Anderson (Cleanup) and Ron Lavigne (WQP) attend. Matt is planning on doing some research to see which EPA attorneys with cleanup and water quality experience are most appropriate to attend.
- 3) Review the attached write up and let me know if I have captured the salient issues. If not, please provide your input as you feel necessary.

Talk to you soon.
